The company **LABORATOIRES GILBERT** shall have the right at all times to ensure that the professional purchaser and its authorized sales outlet meet or continue to meet the requirements of the standard agreement. The early termination will take effect on the date of receipt or, in the absence of receipt, on the date of first presentation of the registered letter with acknowledgement of receipt notifying the decision to terminate, without either Party being able to claim any compensation for this sole fact, the penalty clauses appearing on the commercial documents of the professional purchaser being unenforceable against the company **LABORATOIRES GILBERT**.

In any case the responsibility of the company **LABORATOIRES GILBERT** could not be extended to indirect damages.

The acceptance without reservation made under the conditions of paragraph 1 above of the Products ordered by the professional purchaser covers any apparent defect and/or missing; the professional purchaser cannot then oppose such a defect and/or such a missing in counterclaim to defend itself in an action for recovery of debts incurred by the company **LABORATOIRES GILBERT**.

The complaint made by the professional purchaser under the conditions and according to the methods described in this article does not suspend the payment by the professional purchaser of the goods concerned.

In no case may the company **LABORATOIRES GILBERT** be held responsible for events of destruction, shrinkage, loss or theft during transportation, even if it has chosen the carrier.
